

Parka and Bib Pant Size Correlation Guide

The following chart has the numeric size weight ranges. It also includes the alpha-numeric bib pant size that is typically ordered with a parka in the numeric size indicated.

Numeric Sizes: Actionwear’s numeric sizes (40, 42, 44, etc.) have two inch increments between sizes.

Alpha-Numeric Sizes: Actionwear’s alpha-numeric sizes (L, XL, 2XL, etc) have three inch increments between sizes compared to many other manufacturers that typically have four inch increments between sizes. Actionwear provides a broader range of sizes to ensure the garments fit better.
